

## Share Your St. Al's Story!

As part of the St. Alphonsus 125<sup>th</sup> Anniversary year, we are working to capture the past history and living memory of the parish through parishioner stories.

Do you have a particular memory of St. Alphonsus? Perhaps your First Communion, attending school, meeting your spouse at St. Alphonsus, your wedding or your

child's Baptism. When was it? Can you describe the event and who celebrated it with you? What made it so special? What was the parish like at that time (and how was it similar or different than the parish today)?

Or maybe you want to share what you think is the best thing about St. Alphonsus.

Whatever your story is about — we'd love to hear it! Please e-mail your story (or stories) to Sandra Morgenthaler at [smorgent@gmail.com](mailto:smorgent@gmail.com), or send it to the Parish Office with attention to the 125<sup>th</sup> Anniversary History Committee. Don't forget to include your name and contact information. And if you have photos, please scan them or make a copy and include them with your story. (Typed stories are preferable, but handwritten stories are fine too.) Select stories and photos will be featured in the bulletin and on the website.
